I DONT ALWAYS LOUNGE IN A BASKET

BUT WHEN I DO, I WEAR NOTHING BUT A HEADBAND

FACTS ABOUT BABIES

DID YOU KNOW?

Your baby laughs around 300 times each day? Compare that to the 60 times we laugh each day as adults and it's easy to see why they're so happy!

GROWING SPROUTS

Discover a world of tender care and impeccable craftsmanship, supporting a small business that cares for your little sprout and its community.

TESTIMONIAL

"I have been looking for a blanket that can handle my babe's sensitive skin. The double-sided blanket has been a lifesaver. I'll definitely buying more!"

Sarah W.

This small town girl with big dreams is SO glad you're here.

Follow along and discover a world of tender care and impeccable craftsmanship, and what I'm most grateful for your support for this small business that prioritizes caring for your little sprout in everything we do!

Q&A

What is your initial inspo for creating non-toxic baby blankets?

The initial inspiration for our non-toxic baby blankets came from a heartfelt desire to create a safer, cozier world for little ones. We believe every baby deserves the purest and gentlest start, free from harmful chemicals. Excited to share more about our journey and commitment to crafting the best for the littlest toes!

★★★★★
Monica A.

"Theo is like his dad and is a pretty warm baby! The printed pattern side keeps him cool as a cucumber."

As a new mom I am thankful that I know the blanket is made with the best natural fabrics!"
